Town Council Holds Mill Rate At 57

At a regular meeting last Tuesday evening Town Council decided to hold the mill rate at 57, the same as last year.

This was made possible through the extra Municipal Assistance Act grants which give nearly \$8000 more this year than last year and also a smaller requisition for education.

Revenues for 1966 are expected as follows: Surplus cash funds, \$6,000; Licenses and permits, \$12,000; Rents, concessions and franchises, \$9,196; Fines, \$6,000; Interest, tax penalties, etc., \$12,622; Service charges, \$320; Recreation and community services, \$11,850; Contributions, grants and subsidies, \$68,690; Miscellaneous revenue, \$2,000; Balance required from current taxes, \$227,871; Real property, \$77,500; Business taxes, \$19,750; making a total of \$453,800.

Expenditures include:

General government, \$31,970; Protection to persons and property, \$46,500; Public works, \$58,000; Sanitation and waste removal, \$11,500; Health, \$16,150; Social welfare, \$5,500; Education, \$102,999; Recreation and community services, \$35,550; Debt charges, \$57,114; Utilities and other municipal enterprises, \$39,750; Provision for reserves, \$7,500; Capital expenditures out of revenue, \$19,999; Health Unit, \$7,800; Miscellaneous, \$11,100; Making a total of \$453,800.

Centennial Plebiscite Carried

Word has been received in Drayton Valley to the effect that the plebiscite in I.D.'s 77 and 78 in regard to authorization of \$70,000 toward the Drayton Valley and District Centennial project has been passed by a substantial majority of voters.

Four hundred and fifty ratepayers were eligible to vote in the plebiscite which closed on April 15th.

The Centennial Committee is now awaiting official announcement of the plebiscite result and authorization by the Department of Municipal Affairs for the allocation of funds.

BANFF BUSIEST PARK

There are about 9.5 million visitors to Canada's 18 national parks in a year; the Banff park attracts about 1.5 million sightseers and campers and Prince Edward Island national park ranks second with 1.25 million visitors.

P.P.C.L.I. To Present Band Concert Here

The Princess Patricia's Light Infantry band, about 40 strong, will present a concert in the Frank Maddock High School on Wednesday, May 11th at 8:00 p.m.

The performance is under the sponsorship of the Drayton Valley and District Chamber of Commerce with proceeds to be used for community projects.

The band has been very

Rotary District Governor, John Evanishen (left) is shown with Jack Bright, president of the Drayton Valley Rotary Club, and

newly inducted members Frank Neil and Barney McGlome. (All shown from left to right.)

Rotary Club Marks Anniversary

Rotary International Governor of District 536 John Evanishen of Meadowlake, Saskatchewan, was principal speaker at the 11th Anniversary Charter night of the Drayton Valley Rotary Club in the Elk's Hall on Friday.

Mr. Evanishen in his address urged more visiting between Rotary Clubs in the district for the exchange of new ideas and to prevent clubs from becoming stale. The real emphasis in Rotary, he said, was meeting and liking people.

He also urged the obtaining of a few new members to bring the club up to about 30. New faces and new ideas, he said, were important in keeping clubs active.

Among others introduced were charter members of the Drayton Valley Club and visiting presidents from the North-East Edmonton and South Edmonton Rotary Clubs who also spoke briefly.

Head table guests were introduced by Jack Bright with Harry Zolmer performing the formality for charter members. In a novel and interesting switch Fred Raven and Vic Timmins travelled from table to table for the balance of the introductions.

Toast to the ladies was by Sherrold Moore with Lilly Mayhew responding. Greetings from the town and Chamber of Commerce were brought by Mayor Howard Pickup and Chamber president, Al Braden.

Two new members of the Drayton Valley Rotary Club, Frank Neil and Barney McGlome were inducted into the

club by Mr. Evanishen.

The Mexican Diablos, a group of ladies from the Oil Wives Club, entertained following supper. Dancing rounded out the evening.

Beard Growing Contest

May 1st will herald the start of the beard growing contest in the Drayton Valley district. All males interested in joining the competition are asked to register with Bill Johanneson at the Town Office.

Each man must register clean shaven and start his beard thereafter.

Subsequent issues of this paper will carry information on prizes, types of beards, etc. So let's all get in the promotion and make a real success of this phase of Klondike Kamper's Carnival.

Constables do Well in Course

At the last regular meeting of Town Council it was reported by Police Chief Al Miles that Constables Lynn Fowler and Lloyd Miller of the Drayton Valley Municipal Police stood 1st and 2nd in the results of their class of over twenty policemen attending the recent school in Edmonton.

Town Council commended the two men for their effort and achievement. It was moved and carried that both be promoted to 2nd class constables retroactive to April 1st, 1966.

Spring Clean-Up Campaign

9th to 14th May Inclusive

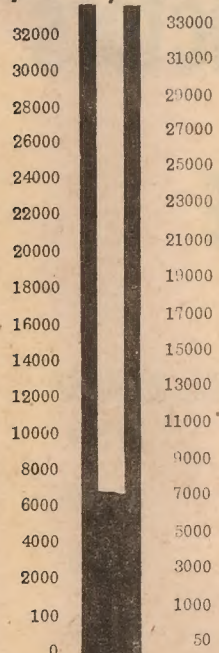

With only two more weeks before the Clean-up Week, we all have much to do. Front and back yards to rake, basements to clear of all that accumulation of the past year, and gardens and flower beds to prepare for planting.

All are asked to place these garbage and refuse collections in suitable containers for easy pickup and loading by the collectors during Clean-up Week.

We all want our town to be a clean and tidy town. Well, this is your opportunity to help make this possible. So, everyone, dig in and do your share.

Centennial Fund

\$34,000

The following is a list of donors who contributed to the Centennial Fund last week.

Calgary Power Ltd.; Drs. Waugh & Cameron; A.A. Braden; The Catholic Parish of St. Anthony's; Walter Romano; Frank Harrison; C.A. Anderson; Drayton Valley Junior High School Students. Correction from last week: Rene Belva

In the above photo Jill Kerr, Junior High School Centennial Fund chairman and Fred Kaarsemaker, Students' Union president, are shown presenting a

\$200 cheque to Mr. Brian Gooding, vice-chairman of the Drayton Valley and District Centennial Committee.

Students Raise \$200 for Fund

In a ceremony at the Drayton Valley Junior High School last Friday afternoon a \$200 cheque was presented to Mr. Brian Gooding, vice-president of the Drayton Valley and District Centennial Committee by Jill Kerr, chairman of the school's Centennial Fund and Fred Kaarsemaker, president of the Students' Union.

The cheque represents what the students of grades 5 to 8 in the Junior High School have earned to date in their drive to raise funds for the Centennial Civic Centre and Arena.

So far they have earned

\$16 by gathering 1,600 coat hangers, \$25 from their service project "Helpers Inc." and the balance from the sale of the green and gold centennial arena pens. The last two projects are continuing and your support is solicited.

Other major projects include a bake sale held last Saturday at The Bay and a car wash to be held soon.

It takes a six-inch layer of moist snow or a 30-inch layer of dry snow to equal the water in a one-inch rainfall, according to World Book Encyclopedia.

Wildwood Girl Honored

Doris Pollard daughter of Mr. and Mrs. Jules Pollard of Wildwood, was honored last Friday for saving the lives of her two younger brothers and sister in a fire at the family's farm home just before Christmas, 1964.

Lt. Governor Grant MacEwan made a presentation to the youngster in the Wildwood public school.

Doris was only four years

old at the time of the fire and managed to get her sister from her crib and send her two younger brothers outside as she carried the baby to safety following an explosion of the kitchen stove.

It was 20 below outside and the family home was a blackened shell in a few minutes.

Her mother was in the barn at the time of the fire and her father away.

Meeting Approves Kindergarten Brief

A meeting of the parents of the Drayton Valley Community Kindergarten was held in the Town Hall on April 18th. A brief prepared by a committee was presented and approved.

A classroom for the 1966-67 term was discussed. St. Anthony's School will not have a vacant room. The Stony Plain School Division will let us know if they have an available classroom after they make an estimate of their classes for the coming term. It was decided to ask the United Church if we may rent the basement again, if no classroom is available.

Our treasurer, Mrs. Ruby Pratt, is leaving at the end of April. The present executive will finish the treasurer's books for the term. Kindergarten fees for the month of May should be sent to Mrs. Betty Mosdell, 5040 - 47th Street or Box 870, Drayton Valley before May 10th.

Kindergarten class pictures will be taken again this year. Each parent will be asked for \$1.00 for a picture.

The teachers will receive a bonus of \$25.00 per month retroactive to the 1st of January, 1966. Their salaries for the coming year will remain at \$150 per month.

In the future there will be parent-teacher interviews twice a year on a day set by

the teachers when no classes will be held. Diplomas will be presented at the end of the term.

A thank-you note will be sent to Mr. Ross McLeod for the eupboard he donated.

Registration for the next year was held on April 21st. There are still a few vacancies. If you wish to register your child please phone Mrs. Betty Mosdell at 542-3137. The fees are \$12.00 per month.

If anyone is interested in sending a child half the time - 2 days one week and three days the next week, phone 542-3137.

LUNCHEON MEETING AT ENTWISTLE

Tommy Douglas Special Guest

The Stony Plain New Democratic Party Association hosted a luncheon at Entwistle on Friday, April 15th for the Honourable T.C. "Tommy" Douglas, who was en route to Edson for a nominating convention.

The tables were beautifully decorated with Scotch Heather, Spring Daffodils and Canadian flags.

A trio of local girls charmed the guests with their very appropriate songs.

Mr. R. Gylander, Association president, introduced Mr. Grant Notley (Provincial Secretary) and also the members of the Stony Plain execu-

tive as follows: Mr. W.T. Propp, Mrs. C.O. Burger, Mrs. Burki, Mr. and Mrs. Johnson and Mr. and Mrs. Gaston Jouan.

Rev. Fuller said Invocation and after a sumptuous luncheon, Mr. Notley asked Mr. Neil Reimer, Leader of the Alberta N.D.P., to introduce Mr. T.C. Douglas. Mr. Reimer's well chosen and heartfelt words of introduction brought forth a thunderous applause and Mr. Douglas in his usual witty and dynamic manner thrilled the 150 guests with his brief but informative speech.

A calvacade of cars fol-

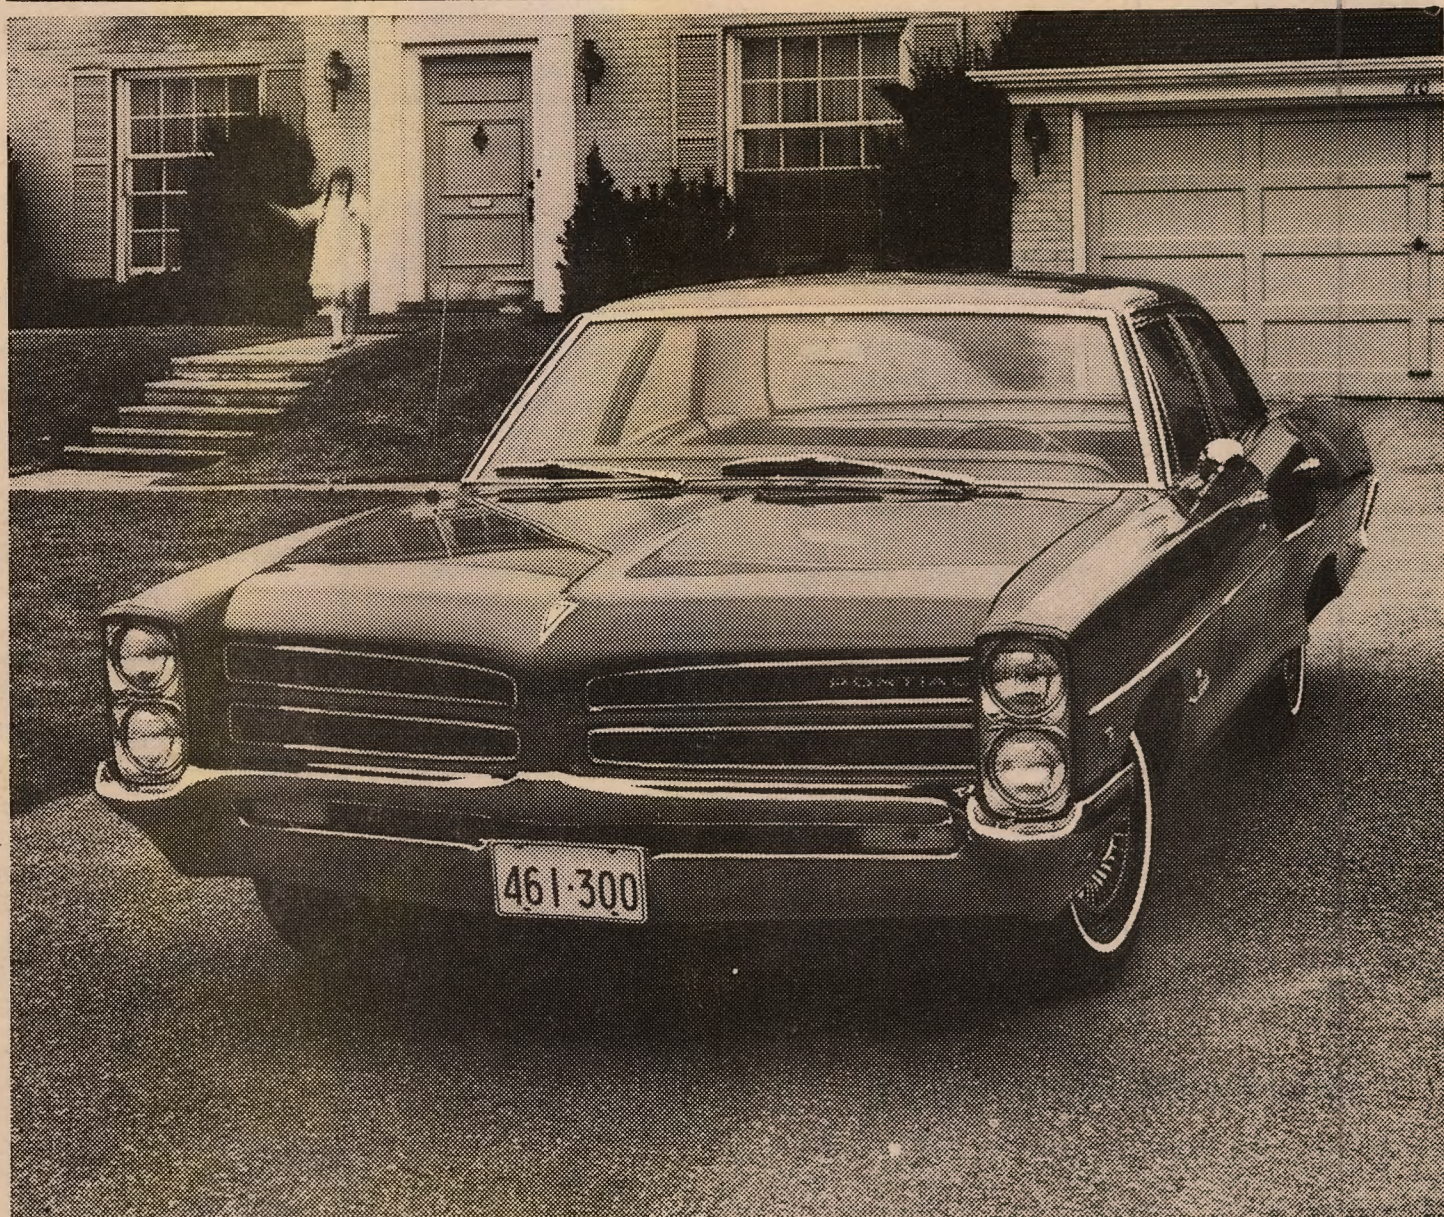

lowed the party to Edson where at the nominating Convention, Mr. Neil Reimer was unanimously chosen the N.D.P. standard bearer for the Jasper-Edson Constituency.

A GENERAL MOTORS VALUE

Pontiac Laurentian Four-Door Sedan

A lot of our advertising appears in people's driveways.

Pontiac's beauty sells a lot of Pontiacs. Consider the arrogance of its split grille. The long, lean sculpted body. That nimble-looking, distinctively-Pontiac stance. But we have a clever device for selling even more Pontiacs. We call it our Pontiac dealer. He's the man with all the answers. He can show you, for instance, exactly why it is that we're putting more of our Success Cars in people's driveways than ever before. He's a man

you should make it a special point to meet. He can tell you about Pontiac's lavish interiors with their host of standard equipment luxury and safety features. He'll even demonstrate Pontiac's new brand of performance if you're feeling adventurous. But more important than anything else, he can give you an excellent deal on the Pontiac of your choice. And let you do some advertising for us.

Baseball School To be Held

The Recreation and Cultural Development Branch of the Alberta Government and the Alberta Baseball and Umpires' Association will sponsor a Baseball Umpire and Coaching School again this spring. The school will take place at the York Hotel in Calgary, Alberta on May 14, and 15, 1966 with registration at 9:30 A.M. on the first day of the school.

The deadline for the receipt of applications for this school shall be May 5, 1966 and no applications will be accepted after this deadline date. Candidates will be responsible for their own board and room, travel expenses and lecture supplies. A registration fee of \$3.00 will be charged to each candidate.

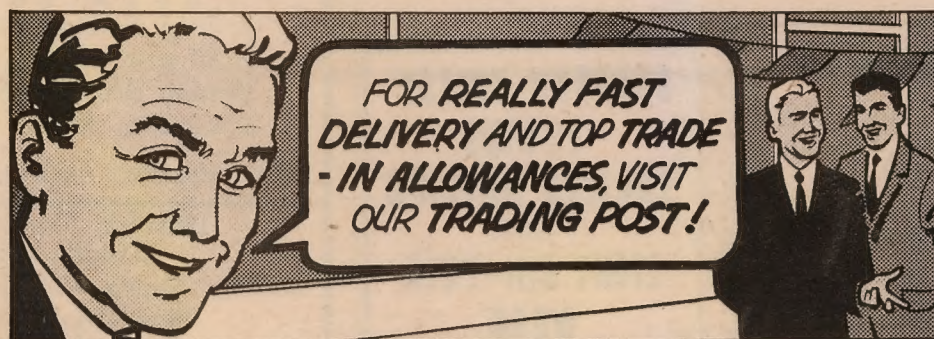

For further information about this school check with the recreation office.

MOON LAKE NEWS

Mrs Barabara Schenk,
Correspondent

The Turkey Shoot and Rummage Sale held at Moon Lake Hall on Saturday, the 22th was quite successful. Don Cherrington won three turkeys, Larry Carnegie won one and also Raymond Chambers in the men's contests. In the ladies and boys shoot, George Cherrington out-shot the ladies and won the turkey.

Chester Town and Linda Bush travelled to the Stony Plain Citizen's Home to entertain the old folks.

Editorial — Comment

Beware of Sham Salesmen

Every year, and more especially in the spring, a horde of high pressure salesmen descend on small towns and rural areas peddling all kinds of wares. Many, no doubt, are honest businessmen -- many more are something else again and possible customers should take care that they are not taken in by one of the latter type.

Following are some examples which might well serve as a lesson along with suggested policy in case you are approached by one of these swindlers.

An \$80 a week worker must pay \$64 a month for 5 years for goods he was told were free.

Woman tricked into signing 60 promissory notes by salesman runs up \$3,840 unawares. It couldn't happen to you?

It is happening to people all over Canada, who are being tricked by sham salesmen.

These men are experts. They often represent themselves as vice-presidents or sales managers of reputable firms whose literature they are carrying.

They will assure you that your signature is just a formality. It is not. Every time you sign one of their bogus documents you may be signing your savings away.

Be warned.

When a salesman calls on you take these steps:

1. Ask for identification.
2. Phone office of firm he says he represents or wait and write if this is impracticable.
3. If you are a woman check with your husband.
4. Tell the salesman you are checking and ask him to call back in 24 hours. If he is not genuine this may put him off.

Interesting Observation

An item we came across the other day in The Printed Word caught our attention. Although it is a repetition of what we have always been aware of, it is perhaps worth repeating:

"Taking the time to reach small town weeklies is worth the effort according to a man who is reported by a daily paper to be one of the best political executive assistants in Canada. He is Clare Westcott, a member of the staff of Ontario's minister of education.

"Get to the weeklies and you get to the province. Their readers remember what they have read."

APRIL 27, 1966.

BUCK LAKE NEWS

Mrs. Norah Dawson and Rebecca spent the Easter holiday at Castlegar visiting her Mother and Dad and other relatives.

Mrs. Ruby Quinn spent the Easter holiday visiting at the West coast.

The Ladies Friendly Circle meeting was held at the home of Mrs. Ruby Woods on April 13th with twelve members present.

A meeting was held in the Buck Lake Curling Rink on Sunday, April 24th to make plans for the Buck Lake Stampede.

There will be a dance held in the Buck Lake Hall on Friday, April 29th. Music by the Rivas. Proceeds to buy chairs for the hall.

A Centennial meeting was held in the Club House at Buck Lake on Wednesday, April 27th.

Mr. and Mrs. Bud Funnell and Carol motored to Peachland, B.C. to visit his brother during Easter holidays.

Mr. Cliff Scott visited friends in the Buck Lake district over Easter.

Miss Anne Bohning was visiting at home over the Easter holidays.

Mrs Jack Thomas is managing the Buck Lake Hotel Cafe.

Would whoever borrowed the Buck Lake fire siren please return it. With so many residents doing burning in the spring and with swimming starting soon, this hamlet is in dire need of the fire siren.

The next Home and School meeting will be held May 4th.

May 9th to May 20th is clean up week in the hamlet of Buck Lake. Let's get busy and make the hamlet a beautiful place to live in.

Editors Note:

We regret that the news from Buck Lake arrived on Wednesday morning of last week, too late for insertion in that paper.

However, we much appreciate receiving the news and are happy to print it but it should arrive in our office by Monday, if possible, for insertion in the current issue. We can usually manage to get news in on a Tuesday also, but by Tuesday evening all pages are plated and completed.

We are sure the people in Buck Lake will be happy to have news of their community appear in The Western Review. Please keep it coming.

Ten inches of snow equals about one inch of rain.

FUA Convention At Millbank Hall

The FUA held their annual sub-district 5 convention (District 4) at Millbank on Friday, April 15th. There was a good representation of locals with 40 members present.

A lively discussion of resolutions took place with some being concerned with: notice of entry for farmers, land value, game regulations and others.

Locals' reports of the year's activities were given as follows: Millbank by Clara Bush; Drayton Valley by Mr. Herndon; South End by Mrs. Brian; Tomahawk F. W. U. A. by Julie Reich; Jackpine Corner by Pete Libiniuk and Magnolia by Leo Seretsky.

The chairman, Albert Martin gave his report and was re-elected as director for Sub-District No. 5, District 4. Otto Hansen was re-elected Alternate Director and Albert Schenk, Vice-President.

Mrs. Florence Harrison agreed to be secretary for another year. Mrs. Barbara Schenk was elected press reporter.

The subject of a farm supply centre was brought up and the best possible site discussed.

District 4 Director, Mr. Roy Getson gave a very interesting report and pointed out a few of the achievements gained by the F. U. A. and this district in particular. We have obtained a veteri-

arian and a district agriculturist by our resolutions.

The Group Plan of the M. S. I. was brought up and there are quite a few advantages to be gained.

The distaff side of the organization was heard from through the F. W. U. A. Director and Secretary, Kathleen Maxfield.

The following is a brief report from the Tomahawk F. W. U. A. from the year beginning November, 1964 and ending April, 1965.

The club consists of 21 members and held 16 meetings with an average attendance of 13 members.

November 4, 1964 the annual F. W. U. A. Conference was held in Tomahawk on December 28th. 16 F. W. U. A. ladies went on a tour of the C.F.R.N. T.V. Station and the Oliver Mental Hospital. Gifts were sent to the Red Deer Training School for retarded children. Donations were made to the Heart Fund in memory of Carl Rector, the Tomahawk Library in memory of Mrs. Runzer and also to the Red Cross Fund. Gifts for Christmas and Easter were sent to the three patients in Oliver from the Tomahawk district. Cards and small gifts were sent to anyone in hospital from the Tomahawk district. Pennies for Friendship were sent to the A.C.C.W. travel fund. The group catered to the 4-H banquet and to one wedding

and also sponsored several miscellaneous and baby showers.

To raise extra money the

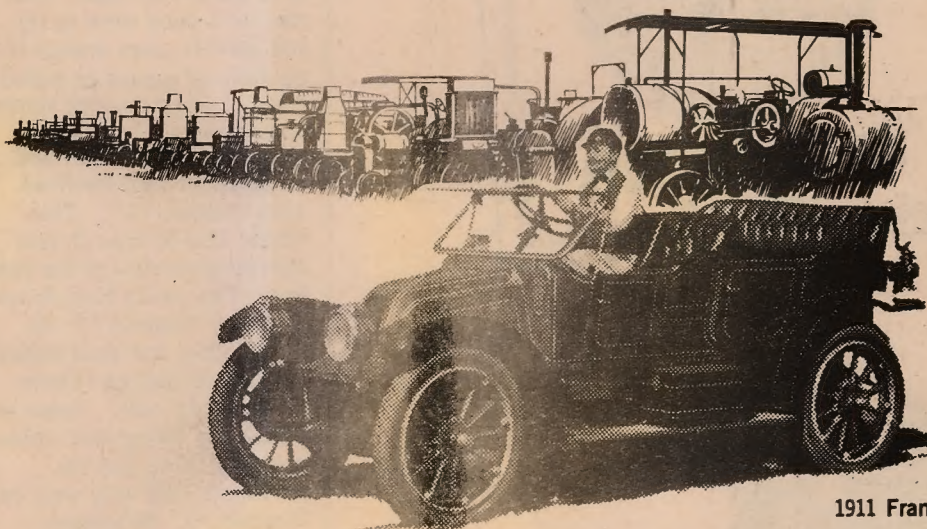

F. W. U. A. has birthday raffles at meetings whenever any of the members have a birthday.

The F. W. U. A. is now

buzzing over the Centennial project and is sponsoring an old timers reunion on Sunday, May 8th.

Our Alberta Heritage

WESTERN CANADIAN PIONEER MUSEUM

1911 Franklin

History of pioneer transportation captured in this unique collection

An enterprising father and son team, Ted and Stan Reynolds, have created one of the most unusual museums in our province. Here are authentic stage coaches and old time vehicles, such as the open buggies that provided prairie transportation in the days when "horse power" meant just that. Four hundred steam and internal combustion engines, stationary and traction models in broadly varying design, are prominent in the collection. You'll see pioneer cars dating way back to 1899 including the 1904 Cadillac and Olds 1 cylinder runabouts, 1908 Baker and 1911 Hupp Yeats electric cars, 1911 Franklin air cooled, 1916 V-twelve cylinder National, Cord front wheel drive and the Brooks steam car. There's even a Gypsy Moth biplane, a horse drawn hearse, and a 1912 aerial ladder fire truck. The Western Canadian Pioneer Museum in Wetaskiwin is more than a historical storehouse. It represents a tremendous outlay of interest, time and effort by two imaginative Albertans, in creating a permanent tribute to the pioneer history of our Alberta.

Next time you're travelling highway No. 2, stop and visit the Western Canadian Pioneer Museum at Wetaskiwin. It's open every day from May 1 to October 1.

Recreation Reconnaissance Conference

The Alberta Recreation Association will hold its annual meeting on April 28, 29, and 30th, 1966 in Peace River, Alberta. The theme of this conference will be "Recreation Reconnaissance".

Some very interesting and controversial topics will be on the agenda such as the mobilization of leadership, the reconnaissance in depth in recreation, pattern progress through planned projects and recreation leadership standards. On hand as resource personnel will be such well known personalities in the recreation field as Brian Andrews, Mrs Betty Hewes, Dr Maxwell L. Howell, Lionel Fournier and Harry Walters.

It is said that if "Recreation Reconnaissance 66" is not a reconnaissance in force, in terms of a large number of delegates, hopefully it will be a "reconnaissance in depth" by a concerned group of vanguard thinkers who are willing to face up to the "new realities of the 1960's, to examine their basic assumptions, to question the merit of traditional approaches and to express their frank opinions on all topics dealt with.

All Albertans who are interested in improving the leisure time aspects of our provincial way of life are encouraged to attend this conference.

ACROSS THE FENCE

W. S. Morrison -- District Agriculturist
Stan McArthur -- Agricultural Fieldman

WIND-UP OF FARM MANAGEMENT COURSE

The Evansburg Farm Management Course concluded an informative study season with a group luncheon on Wednesday, April 20th. Those attending have expressed pleasure and benefit from the sessions. The course, conducted by Mr. H.J. Fulcher District Agriculturist at Strathcona has demonstrated the need and value of keeping full and complete records of all operations on the farm. It would appear that this program of study could be profitably expanded to other centres throughout the area. Why not plan to develop analysis as part of your farming? The start of a new season seems like a good time to apply your past experience and record knowledge to this year's operations. How about planning to use all your available land to obtain the most production possible. Explore all the alternatives you think may fit into your farm operations. Decide which enterprises may offer the greatest

success. Think in terms of each season -- then evolve a plan. Perhaps livestock raising may offer greater money making potential than grain growing for you. It appears that grass and legume production should be maintained at a high level in this area.

LIVESTOCK PROFITABLE IN ALBERTA

Alberta farmers received more money from livestock sales in 1965 than from grain and Wheat Board payments, according to a recent report from the Statistical Branch.

While totals for livestock were up receipts from grains were down due largely to the adverse growing season in many areas. The inclement weather did not affect livestock production in a like degree. This report behooves us, as farmers, to take the best possible care of our livestock.

Are you making as much money from your livestock as you would like? Now is a good time for you to take a good look at the situation. This is a difficult time of the year for your cattle and sheep. You think you have done well in bringing them through quite a severe winter. The grass will soon be starting to grow and the animals are restless and are seeking out any tender blades of grass that may be possible. Such may be tasty but not enough. This may be a good time to try and provide extra energy in the form of ground or rolled grain. Often trouble shows up at calving and lambing time. Be certain that your animals are well fortified with Vitamin "A". This should also be true of your fattening animals in the feedlots. The newly born do not have any Vitamin "A" in their bodies and must depend entirely on getting it from the nursing milk. Some of these very young may sicken in a short time and the problem might very well be Vitamin "A" deficiency. Roughage which has been stored for a considerable time may be very low in carotene, even though they still have a good green color. It may prove advantageous for you to provide Vitamins in recommended amounts.

Natural livestock increase is measured by the number of weaned "off-spring" from your brood animals. It has been said that the net profit from 2½ brood cows in your beef herd is lost when one cow fails to raise her calf. So it is little wonder that the good stockman needs to be alert and attentive at this time as well as throughout the year. Always supply sufficient mineral, bone-meal, and salt "free choice" to supply the necessary phosphorus and

calcium so necessary in our developing farm animals. Do not attempt to keep more animals than you can adequately care for.

Always strive to provide highest yields of palatable and nutritious forage. Your endeavours may be assisted by using suitable varieties of forage crops (grasses and legumes) for either hay or pasture on your particular farm. Try to provide a fairly uniform supply of feed through-

out the entire year. Much of this may be best accomplished by adding the following to your program: 1. Adding commercial fertilizers to pasture and hay land at recommended rates after proper soil testing. 2. Practice "rotational" grazing. 3. Reduce and eliminate weed infestation by using suitable herbicides at recommended rates and/or cultural methods. 4. Harvesting forages at most advantageous stage.

BIG TASTE REFRESHMENT

D. V. Highlights

BY MRS. EDITH DEBY

Have you seen the little playhouse being built by the Lions? Every little girl for miles will be holding her breath when that draw is made.

Mrs. L.L. Williams tells us that she thoroughly enjoyed her visit with daughter and son-in-law, Mr. and Mrs. Dalton Heyland in Prince Rupert, in spite of the weather which left something to be desired.

Little Miss Deirdre MacManus, daughter of Mr. and Mrs. Tom MacManus, was in University Hospital for some days. Hope you are soon feeling as good as new, Deedee.

Miss Margaret Rowe of the elementary school staff suffered painful cuts and bruises to her face in a car accident ten days ago. A four car pile up on Highway 16 not far from Spruce Grove resulted in some badly bashed vehicles but Miss Rowe was the only person who required a doctor's care.

Our community was saddened to learn of the death of Mr. Michael Burke in Whitecourt last week. Mr. Burke was forest ranger here for some years and leaves many friends to mourn his passing. Our deepest sympathy is extended to Mrs. Burke in her sorrow.

Mr. and Mrs. Stan Hodgson and family of Calgary, were weekend visitors to the Al-

bert Hodgson home.

Mrs. Cunningham will be eighty five years young in May. Mrs. Cunningham is still very active and helps her daughter, Mrs. Floyd Peck, with the care of the Peck children.

Mr. and Mrs. William Robinson and Mr. and Mrs. Donald Robinson and Cindy have just returned from a ten day holiday to their native Saskatchewan. Friends and relatives were visted in Saskatoon, Hudson Bay Junction, Clemenceau, Prince Albert and Maidstone.

Mrs. Albert Hodgson and Mrs. Lawrence Sharkey organized a house warming for Mrs. Floyd Peck who has

just moved into her lovely new farm home. The secret was carefully kept and when the guests arrived on Saturday evening Mrs. Peck was taken completely by surprise. Mrs. Sharkey made the presentation of a hostess chair with the best wishes of the guests. Mrs. Hodgson had prepared a scrambled word contest which was won by Mrs. Leslie Herndon. Mrs. George Duperron took pictures to round out a most enjoyable evening.

Mr. and Mrs. Stanley Sowerby have announced the engagement of their daughter Verlin Norma, to Mr. Barry Aldrich. The marriage will take place in Edmonton on May 21st. The Sowerbys are former Drayton Valley residents.

St. Anthony's Choir Enters Festival

Students of St. Anthony's School Choir, numbering 27, and under the direction of music instructor, Mrs. I. Sigurdur, will contest against numerous choirs from schools in Edmonton and district at the annual Edmonton Kiwanis Music Festival. The Festival will take place at Edmonton's Jubilee Auditorium from Monday, April 25th to Saturday, April 30th. St. Anthony's Choir are registered for Thursday of this week and the two solo entries, featuring Linda Fitzgerald and Norman Tucker are registered for Wednesday afternoon, April 27th.

A total of five classes have been entered, and aside from the two solo entries, selections by the choir including the well known Gregorian Chant, with Tom McGee as cantor, which includes the Kyrie and the Easter Sanctus will be featured. The girls section of the choir will feature a class for two part singing and an entry in four part harmony, unconduted, with selections of the Lord's Prayer and Come to the Fair.

The best of luck has been extended to the choir and the instructor from the teaching staff and the School Board, and it is hoped that Mrs. Sigurdur's endless efforts will produce a winner for the Drayton Valley area.

Homemaking Achievement Days Planned

Plan to attend one of Alberta's 4-H Homemaking Achievement Days between now and the end of May. You will be amazed at the quality of clothes and food dishes these capable and enthusiastic young people can turn out.

Over 125 Clothing and Food Clubs throughout the province are culminating their winter's activities at these annual events. Each program consists of demonstrations, talks, and entertainment related to the project being featured. Displays are judged by representatives of the Alberta Department of Agriculture and other qualified personnel.

Your local district home economist has a complete list of Achievement Days showing places, dates and times.

Mayor's Proclamation For Mental Health Week

WHEREAS, mental illness is our nation's number one health problem, and
WHEREAS, there are more hospital patients with mental illness than with all other illnesses combined, and
WHEREAS, more than 7000 persons in this province alone are hospitalized with some form of mental disorder and
WHEREAS, the Town of Drayton Valley shares proportionately the human and financial burden of mental illness,

THEREFORE, I, Howard W. Pickup, Mayor of the Town of Drayton Valley do hereby proclaim the week of May 1st to May 7th as MENTAL HEALTH WEEK, and furthermore call upon the citizens of Drayton Valley to participate in the observance of this occasion; to combat mental illness by furthering research, improved hospital care of the mentally ill, and mental health services; and to build good mental health in our families, schools, industry, and community. Join and support the work of the Canadian Mental Health Association.

STONY PLAIN SCHOOL DIVISION

NOTICE

Registration for the Drayton Valley Elementary School for children commencing school in September, 1966, will be taken at the Old Elementary School on 50th Street on Monday, May 9th, 1966, from 1:00 p.m. to 4:00 p.m. and 7:00 p.m. to 8:00 p.m. and on Tuesday, May 10th from 1:00 p.m. to 4:00 p.m.

The child must be six years old on or before December 31st, 1966. Parents are asked to furnish the child's Birth Certificate at the time of registration.

R. J. ELLIOTT, Principal

Over 65?

\$200 a month can be yours for life!

No pipe-dream this—but the guaranteed reality of a Manufacturers Life Annuity. Whether you live for five years or twenty-five or more, you'll get a cheque for \$200 every month.

Let's face it—you've put in a lot of hard work over the past forty years or so. Your retirement years are your reward. The finest way to enjoy your retirement is to have a steady, worry-free income. The best way to achieve this is to buy a Manufacturers Life Annuity.

You hand over to Manufacturers Life the worry and risk of maintaining an income. Through the annuity arrangement your capital and the interest it earns are "scientifically" combined to give you a guaranteed income for the rest of your life.

How much does an annuity cost? It depends on the income you need to carry out your dreams and plans for those years after 65. For example, the lifetime monthly income of \$200 we were talking about would cost a man of 65 only \$23,380.

It's well worth looking into. The Man from Manufacturers has all the details. Give him a call today.

In The Legislature

By Mrs. Cornelia R. Wood, M.L.A.

On Monday, April 18th the third session of the 15th Legislature prorogued at 5:00 p.m. forty-one sitting days after it started. It is the second longest session of the Social Credit Government.

His Honor Lieutenant-Governor J. Grant MacEwan gave Royal assent to 30 Bills bringing a total of 125 passed during the session, fifteen of them were private bills.

In the dying hours of the session, a government bill was introduced by Hon. J. D. Ross, Minister of Health, amending the Public Health Act, and making provision for the minister to provide any Health Unit or Health Department of any municipality with fluoride in tablet or liquid form for distribution without charge to any resident in the municipality requesting it and whose physician or dentist has prescribed it for the person or his dependents.

On Friday of the last week, the members studied clause by clause the Alberta Livestock and Livestock Products Act Amendments. They

provide for the establishment of a Livestock Producers' Assurance Fund to be maintained out of the license fees paid by Livestock Dealers and this fund will be used to provide 80% compensation for producers who suffer a loss as a result of a default by a licensed livestock dealer. It is retroactive to January 1, 1963 to cover half of the losses suffered through bankruptcy of a dealer at that time.

In discussing the motion to rebate the Estate Tax or Death Duties Tax, Premier Manning said that other provinces would not lose if Alberta was able to get the Federal Government to give back to the province the whole amount of estate taxes collected. The losers would be other countries where Canadians go to reside and where no estate tax is levied. Estate taxes are levied on estates valued at more than \$60,000 for a married person and \$40,000 in case of single persons. He stated that an estate

Berrymoor News

Mrs. Bea Cropley, Correspondent.

Mrs. Hattie Barrett has returned home after spending a couple of months in B.C. She left in February to help in looking after her great-grandchildren while her granddaughter was in hospital. Before coming home she visited friends and relatives in Kamloops, Williams Lake and Vancouver.

The P. H. W. A. meeting was held at Joyce Barrett's on Tuesday evening. The meeting was late in starting as everyone just had to watch the finish of the fast moving game between Chicago and Detroit.

Mr. and Mrs. Lindahl picked up Florence Johnston, Bea Cropley and Dayna and took them to a meeting in the Mission Covenant Church in Warburg on Thursday night. Students from the Bible School in Prince Albert are touring churches in Canada and the U. S. A., taking the services and showing slides of their school activities.

Frank Cave left for Edmonton on Thursday afternoon to seek employment.

Over sixty people gathered at the home of Pat and Dorothy Gavigan to shower the newlyweds, Terry and Darlene. They received many lovely gifts for which they graciously thanked everyone. Lunch was served and one and all seemed to be enjoying themselves.

Gay Petuskin and girls, Janette and Shannon visited the Johnstons on Saturday, attended the shower Saturday night and stayed over to visit the Gauigans on Sunday.

Roy Lawson's sister and hubby spent the weekend with the Lawsons.

We were sorry to hear that Ed Fewster's hay stacks burned to the ground on Saturday night.

A little bird told us that one of our neighbors was in for a rude awakening at an early hour on a Sunday morning as three alarm clock's were scheduled to set up a din simultaneously; or did you miss the clocks and go looking for them before retiring. Just curious.

Gramma Berry has a new method of travel we understand. She was seen riding behind her grandson on the Honda. Next time let us know in advance so we can have the movie camera ready.

Regular Meeting Of W.M.S. Held

The regular monthly meeting of the Church of God W. M. S. met April 21st at the home of Mrs. Smith with eleven members present.

Mrs. Green led the devotional and Mrs. Snell led in a mission study questionnaire.

All reports were read and adopted.

It was decided to hold a bake sale in May and Chinese food banquet for the closing meeting in June.

The meeting was adjourned and lunch served.

GOVERNMENT OF THE PROVINCE OF ALBERTA
DEPARTMENT OF MUNICIPAL AFFAIRS

PUBLIC NOTICE

AUCTION SALE OF TAX RECOVERY LANDS

Public Notice is hereby given that the lands listed herein will be offered for sale by public auction.
No bids submitted privately, by mail or otherwise are acceptable.
Prospective bidders should satisfy themselves as to the quality, etc. pertaining to the lands.
The clerk of sale shall have the right to settle any disputes, concerning the interpretation of the terms and conditions, and the matter of conducting the sale.
Under the provisions of Section Seventeen (17) of The Tax Recovery Act; being Chapter 334 of The Revised Statutes of Alberta, 1955, no person employed by the Government whether his employment is permanent or temporary may purchase a parcel or act as agent of any person in the purchase thereof.
A full legal description of each parcel of land sold will be provided in the sale contract which the successful bidder is required to sign. This contract also contains, in detail, all the terms of payment and conditions of the sale.
Further particulars concerning the terms and conditions of sale may be obtained by communicating with the Director of Tax Recovery, Department of Municipal Affairs, Municipal Affairs Building, 10363 - 108th Street, Edmonton, Alberta, Canada.

CONDITIONS OF SALE

Lands will be offered for sale subject to the minimum price - "upset price" and sold to the highest bidder.
1. WITHDRAWALS & ADDITIONS - The Department reserves the right to withdraw any of the lands from the sale, or to include any other lands therein.
2. RESERVATIONS & EXCEPTIONS - The sales convey only the surface rights of the land, and all mines and minerals are reserved thereout.
3. IMPROVEMENTS - The sale of the land shall grant the purchaser all improvements except such improvements as are listed on the sale notice and purchased by the successful bidder at the time of sale.
The successful bidder is not to take possession of the land until such time as he holds a completed contract executed by the Department or title has been issued in the purchaser's name.

TERMS OF PAYMENT

The successful bidder must choose one of two methods of paying the purchase price of the land.
CASH: 1. He may pay the full purchase price at the time of the sale, or
2. 10% at the time of the sale, and the balance within thirty (30) days.
TERMS: 1. 50% of the purchase price at the time of the sale, or
2. 10% of the 50% of the purchase price and the balance of the down payment within thirty (30) days.
TERMS WILL BE ALLOWED WITH THE BALANCE OF 50% TO BE PAID BY THE PURCHASER OVER A PERIOD OF TWO (2) YEARS AT 5% INTEREST ON THE UNPAID BALANCE PER ANNUM.
All payments for land or for improvements must be made to the clerk of sale before he declares the sale closed.
In any case where settlement for the land or the improvements is not made, the land may be re-offered for sale.

Centennial Report

1867 | 1967

by JOHN W. FISHER
CENTENNIAL COMMISSIONER

The sound of a locomotive whistle in all its variations can produce waves of nostalgia in many Canadians, especially those of us who grew up in the steam generation.

A train's whistle has been a background accompaniment to life in small towns and cities throughout most of our nation's history. It played a tune for the frontier moving West, our growth and development and the bustle of a busy Canada at work.

In many Canadian communities, large and small, the railway whistle was an announcement -- of news from the East or the West, of the arrival of needed supplies of friendly visitors or new citizens or the departure of others on their way to greater adventures and new careers.

During Centennial Year 1967 a hoot from a diesel locomotive pulling into town

with 15 special exhibition cars will herald the arrival of something big, unusual and exciting at more than 80 centres in Canada. This will be the Confederation Train.

During 1967 the Confederation Train will move from West to East, starting at Victoria. Those who view the exhibits inside the train will face situations confronted by the early explorers and settlers of Canada. As they pass from car to car they will experience uncomfortable sensations of steerage passage to this new country, pause for reflection in the Chamber of Confederation and pass through periods of the last 100 years including the boom-and-bust twenties and the barren thirties, and the two world wars. Children will derive special benefits from the lively presenta-

tion of history.

For more than 700 communities not visited by the train a blast from the air horn of a tractor trailer truck will announce the arrival of a similar exhibit in a huge Centennial Caravan. There will be eight Caravans travelling across Canada each with eight 73-foot tractor trailers made in Calgary -- the largest trailers ever to travel on North American roads -- containing exhibits similar to those of the train. A Caravan will be arranged on a community site in a specific quadrangle formation and its colorful, bold design will give the impression of a miniature fair. Travelling where roads permit the Caravans will be within the reach of the vast majority of Canadians. Many communities will stage local events in conjunction with the Caravan's visit.

Be sure to watch for dates of the visit of the Confederation Train or Caravan in your area. Your newspaper and Centennial organization will know the location and time.

New Members Baptized

Through special arrangement with Park Allen Baptist Church a baptism service was held there on April 17th in the late afternoon. Five persons went through the waters of baptism and were then received into the membership of the Calvary Baptist Church of Drayton Valley.

This makes a total of seven who have been baptized since the Church was organized a year ago. Last September Mrs. George Hakoweshyn and Miss Rosalyn Ratzlaff were baptized near the Easyford Bridge in the Pembina River. In Park Allen those baptized were Miss Jeannie Ratzlaff, Mr. John Ratzlaff, Mr. George Yakoweshyn and Mr. and Mrs. Lorne Schlamp.

The group from Calvary Baptist Church and those of Park Allen then joined in a fellowship supper before the evening service in which Rev. E.R. Cearfoss, Pastor of Calvary Baptist, was the guest speaker.

Old Washington Hand Press built in the 19th Century will be one of the relics on display in the Confederation Train. The press was used by Nova Scotia Statesman, Joseph Howe to publish his opposition to Confederation. Frank J. Burns (left), former editor of a Nova Scotia weekly newspaper and the provincial archivist, Dr. Bruce Ferguson, admire a page printed on the hand-operated press. Mr. Burns, who earned his apprenticeship on such a machine restored this one to working order.

In The Legislature

Cont. from Page 8
amounting to \$100,000 was subject to \$19,000 estate tax. At present 75% of the estate taxes collected from Alberta are given back to the province and Premier Manning indicated that if the Federal Government would not return the remaining 25%, Alberta would pass legislation to rebate the 75% anyway.

Government insurance was considered by the committee. Mr. Taylor reported, but the members felt the industry should be made aware of the feelings of the people and given a chance to clean their own house.

It was recommended that an insurance commission be established to look at insurance companies' books and that a provincial automobile claims officer be appointed and insurance companies be requested to process and settle claims within a stipulated period - 90 days was suggested.

Hon. Gordon Taylor said that proper planning and building of all highways was required to enable people to drive safely and a proper vehicle inspection program is important in keeping trustworthy cars on the road, and the driver licensing program should be under constant review. He stated that stiffer penalties should be imposed on persons deemed incompetent and irresponsible as drivers.

The report recommended that where a person has two or more charges for offences, such as driving while under suspension, driving while disqualified or while impaired, while intoxicated criminal negligence and dangerous driving, his license should be cancelled for 5 years and if a third conviction there should be a jail term.

Hon. Dr. Ross, Minister of Health announced that all persons who paid no income tax for 1965, or who paid income tax on less than \$500 taxable income for 1965 - are eligible to come under the Provincial Medicare Health Plan where by a portion of their premiums in the M. S. I. or other insurance carrier is paid from provincial funds. Applications will soon be in the mail and everyone is urged to enter into the new Health Plan and send in their application.

All persons already in the plan are also asked to re-apply when the forms are sent out, since under the old plan subsidies will end June 30th. The new subsidies will begin July 1st, 1966, so every application should be in by June 30th at least.

This brings to a close the reports of the 1966 session of the Legislature. Our hearty thanks are extended to the Editor for the courtesy in providing this service for our readers and I trust they have appreciated it and will express their interest to the Editor.

Total revenue of all governments in Canada amounted to \$759 per capita in 1964.

Evansburg News

Mrs. Bruner, Correspondent

Cold, miserable weather and sick kids seem to have made up my last week or at least the most of it. So, with being in the house because of the weather and sick boys, I haven't picked up many news items.

Seems fishing is pretty good on Lake Wabamun. At any rate our neighbor has given us a couple of nice feeds of

fish. Since the man of the house is no fisherman we don't get much fresh fish.

Our future high school principal, Mr. Keist and his family journeyed to the village last week to look over the school where he will be taking up new duties come September. Mr. Wade, our present principal, and Mrs. Wade will be going to Banff where Mr. Wade has accepted a position in the school there.

Mrs. Fred Fausak, of Hazel's store has been attending a census commissioner's course in Edmonton.

She will be directing census taking over quite a wide area. Glad it's her and not I who will have to wrestle with all those figures.

A coffee shop has been opened in the new Grassi building. This is operated by Mr. and Mrs. Morris Allen of Evansburg. Now there will be two coffee shops in town; one South of the highway and one in the hotel building North of the highway.

Some of the ladies from the country ran a concession booth at the Chedoryk sale and reported a cold hungry crowd and a very busy time as well as a neat profit for their community project.

community project.

The farmers and their wives who have been taking the farm management course offered by the Department of Agriculture had their last class last week. They celebrated by having a stylish luncheon at the newly opened coffee shop.

Another last for the season was the last session of evening credit courses offered by the University of Alberta. These have been held almost every Tuesday during the University year and closed with the students, mostly teachers, writing their exams last Tuesday night.

PUBLIC NOTICE

By the Board of Trustees of the Stony Plain School Division No. 23,
of the Province of Alberta,

WHEREAS it is deemed expedient by the Board of Trustees of The Stony Plain School Division No. 23, of the Province of Alberta, that the sum of Four Hundred Five Thousand Nine Hundred and Sixty Three (\$405,963.00) Dollars should be borrowed on the security of the said Division by the issue of Debentures, repayable to the bearer in Twenty-five (25) equal consecutive annual instalments, with interest at the rate of not more than six per centum per annum for the following purposes, namely: Constructing an addition to the new High School in the Town of Stony Plain (Stony Plain School District No. 1638) as follows:—

"Part A — 100% Vocational

New Facilities — 1 manual typing, 1 electric typing, 1 business machines inclusive of office, storage and duplicating, 1 merchandising, 1 classroom, 1 science room with preparation and storage, 1 minimum service kitchen plus circulatory mechanical, storage areas and ancillary facilities.

Part B — Joint-use Facilities @ 33 1/3% Vocational

Section 1 — New Facilities — 1 library centre plus corridors, washrooms, storage and ancillary areas.

Section 2 — Renovations — (1) existing library and group study room to administrative centre
(2) existing administrative centre to teachers' work room
(3) mechanical and electrical to the above

(The following areas are not shareable under the Agreement — 2 classrooms, 2 ancillary classrooms, 1 language laboratory, 1 Industrial Arts shop, and "Academic" share of Joint-use.)"

at an estimated cost as follows:—

ITEM	COST	FED/PROV. SHARE	REQUIRED BY DEBENTURE
A. Building	\$630,108.00	\$277,878.00	\$352,230.00
B. Landscaping	5,600.00		5,600.00
C. Arch/Eng. Fees	37,805.00	16,672.00	21,133.00
D. Furniture & Equipment	89,000.00	62,000.00	27,000.00
	\$762,513.00	\$356,550.00	\$405,963.00

THEREFORE, notice is hereby given by the board of Trustees of the said School Division that unless a poll for and against the said debenture loan is demanded, as provided in The School Act, the said Board will apply to the Board of Public Utility Commissioners for authority to borrow the said sum by debentures.

Of which all persons interested are hereby notified and they are required to govern themselves accordingly.

DATED at Stony Plain, Alberta,

This 20th day of

April 1966.

FRANCIS W. MADDOCK
CHAIRMAN

INSTRUCTIONS TO PROPRIETARY ELECTORS IN A SCHOOL DIVISION

A poll may be demanded in a School Division by a demand signed by five proprietary electors of each of at least twenty per cent of the districts in the division.

Every demand for a poll must be delivered to the Secretary of the Division or, in his absence, to the chairman of the Board of Trustees, within Fifteen days after the date of posting or of the last publication in a newspaper of this notice. A certified copy of the demand must be forwarded forthwith to the Board of Public Utility Commissioners of Alberta, at Edmonton.

"Proprietary Elector" means an elector who is liable to assessment and taxation for school purposes in respect of any property situate in the School Division.

Klondike Committee Meeting

A regular meeting of the Klondike Kampers Karnival Committee was held Monday evening in the recreation room of the Town Hall.

Reports from heads of various committees indicate progress in planning the annual event to be held in July. It is hoped to have all details completed by the end of May.

Next meeting of the committee will be held in two weeks time.

Camp Counsellor Courses To Be Held During May

Beginner and advanced camp counsellor courses will be held at the Pine Lake Salvation Army Camp from 7:00 p.m. May 20th, to 1:00 p.m. May 23, 1966. These courses will be sponsored by the Alberta Camping Association in co-operation with the Recreation and Cultural Development Branch and the National Fitness Directorate.

The purpose of the courses is to give camp staff an opportunity to review some theories and skills and develop new ones with a view of

using their knowledge in their own staff development programs.

Any organization sponsoring residential or day camps may send delegates to the beginners course, who are a minimum of 16 years of age and to the advanced course those who are 18 years of age and over who have had previous training and experience in leading camp groups. As the enrollment will be limited to 45 campers in each course, any organization wishing to send a number of delegates should list the candidates in preferential order since all applicants may not be accepted because of the limited enrollment.

The topics offered in the beginners course are Canoeing, Camp Social Program and Understanding Behaviour in Human Growth and Development. The Advanced Course will deal with Leadership, Nature Lore and Nature Projects and Camp Craft Skills.

The registration fee for these courses is \$6.00 each per candidate. This includes room and board. The fee must accompany the completed application form and is payable to the Provincial Treasurer. The deadline for all applications is May 4, 1966.

For further information please contact local Recreation Office.

EXCERPT FROM BY-LAW 233

"Every person who owns, keeps, or harbours, any dog or bitch within the limits of the Town of Drayton Valley shall on or before the first day of January in each year or forthwith upon his becoming the owner, keeper, or harbours of such dog or bitch pay the Town of Drayton Valley the sum of \$3.00 for each dog and the sum of \$5.00 for each bitch, whereupon the Secretary-Treasurer

shall issue a dog tag for such animal which shall be good until the end of the current year PROVIDED that when any person becomes the owner of or brings a dog or bitch into the Town of Drayton Valley on or after the First day of July on any year he shall only be required to pay half the annual fee.

Surface temperature of the sun averages 10,000 degrees Fahrenheit.

**Make-Believe
Tea Planned
By Mental
Health Assoc.**

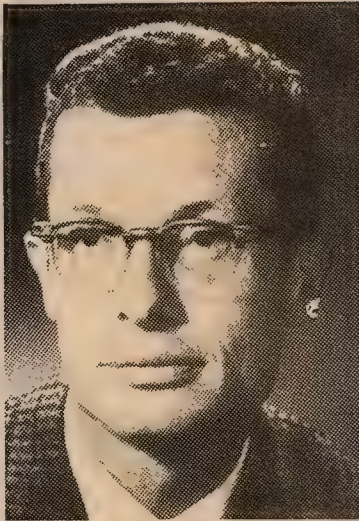

Invitations from Mrs. Grant MacEwan will be mailed to 60,000 Alberta homes in the next week. Mrs. MacEwan, provincial hostess of the Mental Health Make-Believe Tea, invites the recipients to have a cup of tea with her during Mental Health Week, and to give a few minutes' thought to the needs of the mentally ill.

Enclosed with the invitations will be tea bags donated by Salada, and paper napkins donated by Crown Zellerbach, together with a request to "help the sick and prevent the sickness" by joining CMHA.

Nationally, the Canadian Mental Health Association is conducting a campaign for a million members by 1967, hoping to recruit "A million voices to speak for the mentally ill."

CMHA, locally, provincially, and nationally, carries on a four-point program under the intriguing letters, R.S.V.P. They are: research into causes better treatment and rehabilitation methods; social action, to involve more and more people in agitation for improved mental health service services, especially local community services; volunteer services, to 'bring friendship into the hospitals,' and to bridge the gap between hospital and community; public education, to improve attitude toward mental illness and the mentally ill, to put the facts before the public. e.g., mentally sick people do recover (85% within a year, 70% within three months).

To join CMHA, send a dollar to your local branch, or to Alberta Division, 619 Revillon Building, Edmonton.

Dr. David Smith

Dr. E. J. Taylor

Youth Seminar To Be Held In May

Key speakers during the Alberta Seminars on Youth to take place at the campuses of the University of Alberta in Calgary, May 6th and 7th and at Edmonton, May 13th and 14th, have just been announced by the Alberta Government. The best factual information available on social, economic and moral trends in Canada will be presented by these speakers as the basis for effective discussion by the 400 young people attending the seminars.

The outstanding authorities preparing papers for the Seminars are: Dr. Charles W. Hobart, Associate Professor of Sociology, University of Alberta, Edmonton, to present a paper on moral trends in Canada.

Dr. David Smith, Department of Economics and Political Science, University of Saskatchewan, Saskatoon, is to present a paper on political and economic trends in Canada.

Conference consultant for the seminars is Dr. E.J. Tyler Head of the Department of Psychology, Brandon College, Brandon, Manitoba.

The Alberta Seminars for Youth will provide an open

forum for young people of the province between the ages of 17 and 20 to express themselves publicly on matters of deep concern to them.

Social activities during the two-day conference in both

Calgary and Edmonton will feature get-acquainted hootenannies, with a banquet, entertainment and dance on the closing night.

The costs of the seminar and room and board for participants will be paid by the

Alberta government with delegates paying a \$10 registration fee and their own transportation.

The seminars are the first of their kind to be organized by a provincial government and are expected to start a trend in Canadian affairs.

**Hospital
Auxiliary
Meeting**

The regular monthly meeting of the D.V. Hospital Auxiliary was held on Friday, April 1st, 1966. There were thirteen members and six guests present.

The arrangements for a bingo for Monday, the 25th of April were made. Also, it was again decided that the auxiliary would serve supper to the blood donor workers. This was also done on Monday, April 25th.

There will be a Florence Nightingale tea and open house at the hospital on May 11th from 2:00 to 4:00 p.m. A lovely bouquet of flowers will be raffled at this tea. A silver spoon will be awarded to the baby born on Florence Nightingale day or the day nearest to it. Also, Florence Nightingale tag day will be held on May 7th, 1966.

A motion was made to again place flowers on the trays of all mothers who are patients in the hospital on Mother's Day.

The following three people volunteered to be on the nominating committee for elections coming up: Mrs. Rose Wickland, Mrs. Pearl Getzinger and Mrs. Mavis Waddell.

The meeting was closed and was followed by a jewelry tea.

Clinic Success

Despite the inclement weather Monday, the A.A.R.N. wish to report a successful blood donor clinic of approximately 187 applicants. 68 of these turned up for the afternoon clinic. This total is an increase of about 20 over last year. There were 7 rejects.

The A.A.R.N. wish to thank the Lions, the Order of the Royal Purple, the Junior Red Cross, the Hospital Auxiliary, Mr. McManus (for the use of the auditorium) and those who helped with advertising.

May we say a special "thank you" to the citizens of the immediate and surrounding community who came despite the weather to make the clinic a success, many of you for the first time.

Ramona News

Mrs. Wood, Correspondent

We are sorry to hear Mrs. W. Karsh is in the hospital. We hope she will soon be feeling better.

Joyce and Raymond Chambers are regular visitors to the hospital where Raymond's Uncle Red has been the last few days.

We also hope that Cecil Kelly will be feeling better soon.

Work parties are in progress at the Ramona Hall. The men are working on our new tables, etc. and the ladies are working on the quilt.

Ramona Community League is having a bridal shower for Mary Ann Pollard on May 7th. Everyone is welcome.

Gymkhana must be soon starting. Jacqueline Harke was seen riding Cindy.

Mr. and Mrs. Don Sheeler and family spent a few days in Calgary during the Easter holidays.

Mrs. Dora Stewart, Mr. and Mrs. Steve Lysak and John Plewis went to Telfordville recently to celebrate Mrs. Stewart's sisters 25th wedding anniversary.

SOMETHING NEW AT SCHOOL

In Ontario at Eastview High School, which is located in a town almost next door to Ottawa, they're doing something new. Student records are being put on Recordak microfilm so there will always be available a complete case history of everyone who has attended the school since it opened in 1949. These records include all marks, attendances, teacher reports, details about hobbies, special interests, character ratings, and everything of importance that happens during school life.

Helpers Inc. Organized By Junior High Students

Helpers Inc. is a project the students of the local

Junior High School have undertaken to help raise funds for the Drayton Valley Centennial Arena.

For this project the students have undertaken to hire out as helpers for any job of which they are capable.

There are boys and girls age 11-16 willing to work for you and turn over their wages to this fund. They will mow or rake your lawns, paint your fences, walk your

Buck Creek News

Mrs. Gladys D. Stec, Correspondent.

A farewell party was held at the hall, Sunday, April 27th in honor of Mr. and Mrs. Nels Stabell. They were presented with a set of luggage as a remembrance of the community.

A shower was held at the home of Mrs. Donna Safronovich of Drayton Valley. The bride received many lovely gifts. Lunch was served by Mrs. Norma MacDonald and Mrs. Bertha Simpson.

Deepest sympathy of the district is extended to the Leo Malin family on the loss of Mr. Malin's mother.

The next meeting of the Community Club will be held at the hall on May 4th commencing at 8:00 p.m.

The men in the Community Club have been busy again building new tables for the hall.

Plan Teen Camps At Goldeye Lake

The Farmers' Union and Co-operative Development Association will sponsor five one-week Teen Camps and a one-week Graduate Camp Seminar at the Junior Farmers' Union of Alberta Goldeye Lake Camp.

A two-day conference was held recently in Edmonton to finalize plans. Present at the conference were representatives from Farmers' Union and Co-operative Development Association, Farmers' Union of Alberta, Farm Women's Union of Alberta, Junior Farmers' Union of Alberta, United Farmers of Alberta Co-operative Limited Federated Co-operatives Limited, Alberta Wheat Pool and United Grain Growers Limited.

Program for each Teen

dog clean your garage, wash your car wash windows, etc. Their motto is "You Name It, We'll Do It."

So far they have earned \$25 for their efforts and members of the community are urged to help themselves while contributing to this worthwhile fund.

To arrange for Helpers Inc. phone Jill Kerr at 542-3898, Linda Walkoski at 542-3658, Doug Smith at 542-3036 or Lee Hurley at 542-3454 or contact any Jr. High student or teacher.

Camp will include Morning Thoughts, Leadership Skills - public speaking, panels, debates and conduct of meetings, Citizenship, Co-operatives, Farm and Community Organizations, Youth and Your Friends and Recreation.

Gerald Schuler, Assistant Director of Farmers' Union and Co-operative Development Association is Camp Administrator.

LOCAL CADETS BUSY

Air Cadet Week Activities

This is Air Cadet Week across Canada. It is not just another Air Cadet Week which is marked every year by Cadets across the country, but this one rings a special note in that this marks the twenty-fifth anniversary of the founding of the Air Cadet League of Canada.

The Air Cadet League of Canada, a national public service organization was formed in the spring of 1941 for the primary purpose of building a reserve pool of pre-trained airmen for the wartime Royal Canadian Air Force. At the end of the war the movement was re-organized to provide training in aviation and good citizenship to Canadian boys of high school age.

The Alberta Provincial Committee of the Air Cadet League of Canada has planned a full schedule for the squadrons under its jurisdiction during this week. The big week started off last Sunday with the mammoth parade in Edmonton in which 41 squadrons from all parts of the province participated. Dignitaries from the National, Provincial and Civic Level were on hand for the parade with the Hon. Paul Hellyer, Minister of National Defense taking the salute.

The Drayton Valley Legion Squadron #733 took part in all of Sunday's functions.

So much for the opening of Air Cadet Week in Alberta. During the week the individual squadrons will take part in different activities at the local level. Next Sunday the Provincial Committee will start the inter-squadron competitions in drill, shooting, volleyball, physical fitness and agility. For this purpose the different squadrons in the province have been grouped in their respective wings.

Competitions will be held for each wing at a given place on Sunday, May 1st. The winning squadrons in each

group will then go on to final competitions for provincial honors later in the spring.

One wing which will include Squadron #699 of Jasper Place, Squadron #721 of Whitecourt, Squadron #526 of Barrhead and Squadron #733 of Drayton Valley will compete in the drill and sports program at the 700 Wing, Kingsway in Edmonton.

The program planned is as follows: at 9:00 a.m. will be the official welcome and outline of the day's activities. Breakfast will take place at 9:30 a.m. at the Kingsway Recreation Centre followed by drill competition at 10:30 a.m. scheduled for the Prince

of Wales Armouries weather permitting otherwise this competition will take place in the forementioned Recreation Centre.

Smorgasbord Lunch will be at noon followed by rifle competitions at the Armouries. From 1:30 p.m. to 2:15 competitions in Volleyball will take place at the Recreation Centre. Then from 2:30 to 4:30 p.m. the physical fitness and agility contests will take place at the Victoria Composite High School, weather permitting, otherwise these competitions will also be held in the recreation centre.

With all competitions completed presentations to deserving participants and squadrons will take place at 4:30 p.m. followed by hot dogs and pop before all squadrons return to their respective communities.

All phases of these contests promise to be interesting and highly competitive. Parents, relatives and friends of Cadets are cordially invited to attend these competitions.

C.W.L. Hosts Local Groups

The C. W. L. hosted 70 ladies at St. Anthony's School auditorium on Sunday, April 24th from 2:00 to 4:00 p.m.

Among the ladies present

were 11 guests from other local church groups, including Mrs. Ingram of the Anglican Church, who was guest speaker.

To begin the program the guests were introduced and welcomed by Mrs. Patti Tomazewski.

Mrs. Hennessey gave the "President's Message". A skit was presented by the executive on the "Aims and Purposes" of the Catholic Women's League, followed by Mrs. Ingram's talk on the "Aims and Accomplishments" of the Anglican W. A.

A Strawberry Tea was prepared by the members and served by the Girl Guides following the program.

Germans bought more than \$75,000 worth of Canadian cameras and equipment in 1965.

NOTICE

IN THE MATTER OF THE PUBLIC UTILITIES BOARD ACT, AND IN THE MATTER OF TELEPHONE RATE ADJUSTMENTS.

TAKE NOTICE that the Alberta Government Telephones has applied to the Public Utilities Board requesting the Board to fix such just, reasonable and adequate new rates as may be necessary to enable the Corporation to provide for and pay its costs and obligations and provide a fair return on the Corporation's rate base.

FURTHER TAKE NOTICE that the Board will hold a PRELIMINARY HEARING at the Court House in the City of Calgary on Wednesday, the 18th day of May, 1966 at the hour of 10:00 o'clock in the forenoon for the purpose of setting a time and place or places for the taking of evidence at a later date, and also to deal with all other matters of a preliminary nature which interested parties may wish to raise.

ALL INTERESTED PARTIES may file such material for the assistance and consideration of the Board as they may be advised and may appear personally or by counsel.

Signed,
MAJOR & COUGHLAN,
Barristers & Solicitors,
713 Texaco Building,
Calgary, Alberta,
Counsel for Alberta
Government Telephones.

ALL-RISK INSURANCE

All-risk Crop Insurance should eventually become part of every sound farming operation, says Alberta's Field Crops Commissioner, A.M. Wilson.

Mr. Wilson reports that the government sponsored Crop Insurance Corporation intends to make insurance available to all farmers in the province as soon as possible. To achieve this goal, they are establishing new areas every year and expanding those already in operation.

This year, farmers in the municipalities of Peace River, Fairview and Spirit River as well as those in county of Grande Prairie will be offered all-risk crop insurance for the first time. Insurance will also be offered to farmers in

the area from Didsbury, South to Aidrie and East to Drumheller.

Farmers in the Nobleford-Vulcan, Ponoka-Lacombe and Ranfurly-Vermilion districts were offered insurance in 1965 and these areas will be considerably expanded this year.

The Alberta Crop Insurance Program, says Mr. Wilson, is designed to meet costs of production which have to be paid regardless of the size of the crop harvested. In spite of high operating costs, crop insurance will cover most production expenses. The level of coverage is 60 per cent of the long time average for the area.

CENSUS ENUMERATORS

WANTED
